Dear Potential Sponsor,

**We are currently seeking contributions to support the Oakview Cyber Dragons FTC#8580 Robotics Team at Oakview Middle School.**

Our goal is to move beyond the Michigan qualifying events, to the Michigan State Championship and then possibly even the **World Championship in Houston, TX.**

This is our team's 3<sup>rd</sup> year participating in FTC Robotics. Last season our team received 2<sup>nd</sup> place for the Connect Award at the Rochester Qualifier, received 3<sup>rd</sup> place for the Control Award, the Judge's Choice Award, and was a finalist alliance at the Pellston Qualifier, and earned a ticket to the state championship. At States we earned the 3<sup>rd</sup> place award for robot design. Without the help of our sponsors none of that would have been possible. We hope to continue learning and growing this season, but in order to do that we need help in raising enough funds for tools, parts, supplies, competition registrations, and travel expenses. Please consider contributing to our team with one of the following sponsorship levels.

**Any amount is appreciated, and in-kind donations are accepted, as well.  
All donations are tax deductible.**
